Rate in excess of 90 metres	Per linear metre	\$1.50
Fire Service Main	Per metre	\$1.50
Oil Interceptor	Each	\$35.00
Backflow Preventor	Each	\$35.00

The basic fee shall be charged for any work that requires a permit.

Where the owner or his agent makes application for a special inspection of any plumbing, drainage or water system work which is not a routine inspection, the applicant shall pay for the services of the Inspector per hour and cost of mileage incurred at the current rates as set by Lambton County Council, as amended, from time to time.

For extra inspections made necessary because of faulty or defective work or because of the work not being ready for inspection, for each inspection after the second inspection, the applicant shall pay for the services of the Inspector per hour and cost of mileage incurred at the current rates as set by Lambton County Council, as amended, from time to time.

An additional recovery fee applies to all commercial and/or industrial applications. Waterlines, storm and sanitary laterals exceeding 90 linear metres in length shall be subject to \$1.50 per linear metre when the base criteria has been exceeded and is applicable to each individual. Fire service mains in their entirety will be subject to \$1.50 per metre.
